Three Options for Your Used Equipment

Consignment

- You provide info on our Equipment Evaluation Form along with photos*.
- We determine a Fair Market Value price for your consideration.
- We provide you an estimated “net price” after the sale is made.
- A one-page consignment agreement is signed by both parties.
- You maintain the equipment at your facility until sold, or we can provide logistics and storage if needed during the sale process.
- You receive payment upon shipment to buyer.

Purchase:

- You provide info on our Equipment Evaluation Form along with photos*.
- We determine a purchase price for your consideration.
- Bill-of-Sale is signed by both parties.
- We will provide de-installation and logistics as required.
- You receive payment within 21 days after receipt of items to our warehouse.

Donation:

- You provide info on our Equipment Evaluation Form along with photos*.
- If required, we can provide or recommend companies to conduct an appraisal for your tax purposes. Please consult your tax professional for your particular situation.
- After equipment is received, a letter of acknowledgement of the received items is sent for your records.
- Items are inventoried, tested, and prepared for marketing by us or one of our asset liquidation partners.
- After the sale, the net proceeds go to the Non-Profit, Haiti Vision 3, Inc., or we can process to a pre-approved Non-Profit of your choice.
- See more at www.Donate-Medical.com, as well as a video.
