Freight Shipping Centers – January 2021

(continued next page)

- Have the tools and certified training in palletizing freight in an indoor area.
- Capable of performing white-glove deliveries up

“FULLY COMMERCIAL” CRITERIA

- Own or lease a box truck (12’ min)
- Able to receive a pallet of 750lbs or more without requiring carrier to use a liftgate.
- Have continuous access to indoor space where crates and pallets can be received and stored for up to a week before delivery, or after packaging prior to pick-up. Space must accommodate a minimum of 4 standard pallets. On-truck storage does not qualify.
- Have an exterior door with a minimum width of 44” and a minimum height of 96’
- Offer pickup service
- Have a minimum of 2 employees which can be sent on a pickup or delivery at the same time.
- Have the tools and certified training needed to build crates in an indoor area.

“FULLY COMMERCIAL” (cont.)

- to 2000 lbs packed weight, including light assembly and debris removal.
- Have certified training in receiving freight, confirming all items are received, noting any damages, etc.
- Have the ability to load a freight truck with a pallet of 750lbs without requiring a liftgate.

#

“COMMERCIALLY CAPABLE”

- Have access to a vehicle suitable for pickups and deliveries. (Size and type can vary, and ability to rent a truck is acceptable.)
- Have a location where at least standard pallet freight shipments can be received or picked up. This means access for a freight delivery truck is required. Use of a liftgate by carrier in lieu of a forklift or loading dock is acceptable.
- Be willing and certified in training to offer white-glove deliveries and/or pickup & pack jobs.
